This Christmas Holiday give your child the gift of sharing that your child will enjoy for a lifetime. Christmas time is a quiet time, a warm time, with the anticipation of newly fallen snow. Your child will learn and experience the A's & Z's of wintertime horse activities. There is much preparation and knowledge to learn before each ride. Everyday is filled with many tasks with saddling, grooming, the care for, do's & don'ts, and more.

And finish the day with a trail ride Christmas Caroling thru the woods.
